DIVINE MERCY SUNDAY

Divine Mercy Sunday focuses on the gift of mercy and love given through Christ's death, burial, and resurrection. As Pope John Paul II stated, "Divine Mercy reaches human beings through the heart of Christ crucified."

St. Faustina was a Polish nun who received visions from Jesus, including one of Jesus wearing a white garment with beams of red and white coming from His heart, which came to be known as the image of Divine Mercy. She wrote in her diary that He said:

I want the Image to be solemnly blessed on the first Sunday after Easter, and I want it to be venerated publicly so that every soul may know about it...

My daughter, tell the whole world about My inconceivable mercy. I desire that the Feast of Mercy be a refuge and shelter for all souls, and especially for poor sinners. I pour out a whole ocean of graces upon those souls who approach the fount of My mercy.
