

teresa de Jesus

Dear brothers and sisters,

Today we celebrate the feast of St Teresa of Avila (1515-1582) the founder of the renewed and reformed Carmelites. She was a founder of both the Carmelite nuns and friars, a down to earth mystic, an author whose works on prayer are considered classics, a wise and successful negotiator with church and civil authorities (up to the king), she prayed for the unity of all Christians after the Reformation, she resisted Spanish Anti-Semitism and promoted free spaces for women in a patriarchal society. She has been a source of inspiration and hope for people up to the present day.

Happy Feast Day! —*Blessings, Greg*

THANK YOU

What an amazing week, everyone! We reached another milestone with our fundraising effort for our Church's new carpet and platform lift appeal.

An impromptu sausage sizzle, targeting last Saturday's pre-poll voters, raised \$977.88. Further cupcakes and plant stalls during the week, raised another \$1,035.92. Also thanks to your support of last weekend's fresh produce sale, we raised another \$890.00.

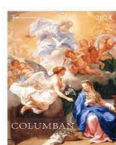

A huge thanks to all of our awesome volunteers, cooks and bakers for, again, coming together at short notice to support our cause. Your stellar commitment and love for our parish is truly and greatly appreciated.
